

THIEN DANG HEC QUYNH

WEB DEVELOPER INTERN

✉ quynhthieng100@gmail.com
📞 +84 941 608 301
📍 179 Hoang Huu Nam Street,
Long Thanh My Ward, Thu
Duc City

OBJECTIVE

Desire to learn and accumulate practical experience in a professional environment. I want to practice skills and foundational knowledge, and support the team with assigned tasks in a responsible and proactive manner. My goal is to become a full-time employee after completing the internship if appropriate.

EDUCATION

THU DUC TECHNOLOGY COLLEGE
Information Technology
2023 - 2026
